10.	Student feedback mechanism on Institutional Governance/faculty performance	Appraisal forms are prepared and handed over to the student to record their views regarding the classes taken by the faculty in each subjects. This is done confidentially without mentioning the identity of the student. This will help the students to record their opinion without fear or favor. The recorded opinion will be evaluated by the Academic Council, for timely remedial measures.		
11.	Grievance redressal mechanism for faculty, staff and students	The staff members are actively involving in academic affairs. Group tutor system is prevailing in this college. Every 30 students of a particular branch of study are under the close supervision of a Group Tutor. They will help the students in their Studies, Exams and difficult personal problems. They are contacting the parents at timely interval, after internal assessment and inform the progress of the students. The resident Tutor systems in Hostels are also implemented
