Notice

It is with great concern that I inform you about the outbreak of viral fever affecting more than 100 students in the hostels. In light of this situation, classes will be suspended from the 3rd hour today. Classes on Friday (10/11/23), Monday (13/11/23) & Tuesday (14/11/23), will be conducted online

To ensure the safety and well-being of all individuals, we kindly request all hostel inmates to vacate the premises by 4:00 PM on the 9th of November 2023. This evacuation is necessary for the comprehensive sanitization of the hostel, which will be carried out in collaboration with the government health department.

Please note that classes will resume on Wednesday, the 15th of November 2023.

Your cooperation in this matter is highly appreciated as we prioritize the health and safety of our students and staff. If you have any concerns or require assistance during this period, do not hesitate to reach out to the concerned authorities.

Thank you for your understanding and cooperation.
