

**Name of the Faculty** : Prof. ANJU BABU

**Designation** : Assistant Professor

**E-mail ID** : anjubabu@mbcpeermade.com

**Education Summary** : M.Tech. from MG University  
B.Tech. from MG University

**Area of Interest** : VLSI  
Signal Processing  
Embedded Systems

**Employment History** : Lecturer at University college of applied science, Kottayam  
Assistant Professor MBC CET Peermade from 2013

**Journals Published** : “Soft core implementation of MIL-STD-1553 Protocol ” in  
the International Journal of Scientific and Engineering  
Research (IJSER) August 2013.  
“Soft core implementation of MIL-STD-1553 Protocol” in  
National Conference on VLSI & Embedded Systems  
Technology Advancements (VESTA-2013) at Sree Buddha  
College of Engineering on 6th September 2013

**International/National  
Conferences /  
Workshops / Seminars  
attended** : VLSI Signal Processing, Musaliar College of Engineering  
and Technology

Introduction to Research Methodologies ,IIT Bombay

**Training attended:** : Signal Processing and Control Systems, Mar Baselios  
Christian College of Engineering & Technology ,Peermade

**Professional  
Membership**

: ISTE
