The one day hub level program “ENLIGHTEN 2.0” [phase 1] was successfully conducted at St Pius X School, Kuttikanam and Ellapara Govt School, by IEEE MBCCET SB and WIE together from 10.00 am to 4.30 pm on 10th July, 2017. The event was the second sequel of ENLIGHTEN 1.0.

The programme was conducted at Elapara Govt School from 10.00 am to 12.30 pm. Four volunteers from our college and one volunteer from MA college, Kothamangalam were selected to conduct the event. The event witnessed students from 9th and 10th standard as the audience. Gokul from MACE, Kothamangalam took the session over here. He led an informative class on “Why Engineering?” and how and what all perspectives one must consider on choosing such a career. He also spoke on different engineering aspects and other career options one can perceive for his or her future. The programme commenced with a feedback session by the students and teachers and a group photograph.

The second programme was conducted at St Pius X School, Kuttikanam from 2.00 pm to 4.30 pm. The event witnessed students from 11th and 12th standard as the audience. Rahul TR from MBCCET, Kuttikanam took the session over here. He took an interactive session with students starting on with a small ice breaking session to a very informative session on choosing ones career and his own life experiences. The programme commenced with a feedback session by the students and teachers which led the volunteers to a more happy state of mind.
